

## Take Note

### Win a Writing Course!

Punctuate the passage below. The exercise should take only 1-2 minutes, and you'll be entered to win a free online writing course: Hurley Write's Online Technical Writing Course, Option 2. Gain confidence in your writing, and watch your career improve. We'll post the winner next month, so stay tuned!

*Paula went to the store but when she arrived it was closed. She decided therefore that she would sit in the parking lot until the store reopened. As she sat there she began to wonder why the store was closed since the sign clearly said that it was open 24 hours a day. Paula not being the sharpest tool in the shed had pushed on the door when the door clearly said pull. Consequently Paula sat in the parking lot all night long poor Paula.*
