Hurley Write

CERTIFIED WOMEN-OWNED SMALL BUSINESS

Capability Statement

For over 35 years, **Hurley Write** has helped companies such as Meta, Pfizer, Alcon, Progressive Insurance, and other Fortune 500 organizations **uncover and solve their communication issues.**

WHAT WE DO

Diagnose & Advise

- Conduct communication diagnostics to uncover the root cause of an organization's communication issues
- Provide recommendations for solving communication issues

Write & Edit

- Write and edit SOPs and other technical documents
- Provide on-demand editing
- Create and redesign templates

Train & Coach

- Design and teach writing workshops, including technical writing, writing for engineers, and business writing
- Design and teach workshops specifically for reviewers
- Provide one-on-one and team coaching

Standardize

- Help companies standardize their writing and reviewing processes
- Write and train on style guides
